

Float Coordinator's Sharing the Vision

The Suwannee River Area Council plans to have a float in the City of Tallahassee - Celebration of Lights Parade on December 12, 2009, and the Springtime Tallahassee Parade on March 27, 2010. The SRAC would like to expand our list to include our float to appear in other parades or community celebrations within our Council such as the Thomasville Rose Festival, the Perry Forest Festival, and the Monticello Watermelon Festival. These are wonderful opportunities for us to showcase Scouting. This also provides a tremendous opportunity for several units to work together. We have a coordinator. Now we are interested in who else would be involved. Contact Sandler Dickson 850-545-7095 with your interest.
