

Scouting improves the lives of boys and young men in every city in America.

- The "Good Turn for America" project has Scouts helping build Habitat homes across the U.S., provide relief for hurricane victims, work with the American Red Cross and other organizations. Total service hours to date - 6,685,985.
- Scouts are helping raise donations of Trail's End Popcorn for America's men and women in military service, both those serving stateside and overseas.
- The Boy Scouts of America will begin celebrating its 100th anniversary in 2010. The organization was founded on February 10, 1910 and chartered by Congress in 1916.
- Of the 312 pilots and scientists selected as astronauts since 1950, 180 were Scouts or have been active in Scouting. Forty were Eagle Scouts

The Scout Oath has been recited by every Boy Scout.

On my honor I will do my best
To do my duty to God and my country
and to obey the Scout Law;
To help other people at all times;
To keep myself physically strong
mentally awake, and morally straight.
